dynamicuno@gmail.com: oh shit

dynamicuno@gmail.com: That was fast

dynamicuno@gmail.com: Good though. Keep the momentum

me: welcome to 2011

me: yep

me: of course we are continuing OpTunisia, especially with PProject PM

me: will tweak the Tunisian guides for Algerians

me: if you have any input, add it

dynamicuno@gmail.com: Good. I am very encouraged with results so far

me: <http://typewith.me/owA6rmGfP6>

me: me too

me: it's gone better than we hoped

dynamicuno@gmail.com: Yeah, I wasn't sure what to expect

dynamicuno@gmail.com: Not sure my phone will handle typewithme

dynamicuno@gmail.com: Hang on I am gonna try

me: might be rough

me: maybe just look, jot down some notes, and stuff later

dynamicuno@gmail.com: oh yeah, that didn't turn out good lol

dynamicuno@gmail.com: I will be in Toronto in a few hours. I will scope it out tomorrow before the rally

dynamicuno@gmail.com: are we setting up a separate page for Algeria?

me: yep

me: there's one already, but it's not really being used

me: so we'll create another one, oversee it, and invite Algerians to contribute

me: I want to make sure we have control of some assets because a couple of the ops at anonops are douchebags

me: one tried to ban me last night but I went to the main guy through Gregg and got back on

dynamicuno@gmail.com: The fundamental flow to dealing with Anon

dynamicuno@gmail.com: Er, flaw

me: yeah

me: luckily I have experience navigating through such people

me: from my ED days

dynamicuno@gmail.com: Immature assholery is their prime directive

me: not to mention 4chan

me: yeah, the trick is to harness those who are competent and decent

dynamicuno@gmail.com: Not that theres not a use for that

me: ah

me: we're about to deface another website

dynamicuno@gmail.com: Yeah. I ran up against some during the Iran protests

dynamicuno@gmail.com: Oh yeah?

dynamicuno@gmail.com: Whats the target?

me: I think this

me: <http://www.entv.dz/tvar/index.php>

me: and this will be brought down

me: <http://www.ministerecommunication.gov.dz/>

me: in a moment

me: oops, already down, lol

dynamicuno@gmail.com: lol

dynamicuno@gmail.com: damn

me: also this, we need more input

me: <http://typewith.me/owA6rmGfP6>

dynamicuno@gmail.com: alright, I am very limited on my phone but I can tweet it and probably fb

dynamicuno@gmail.com: You want me to just use the typewith me link or is there a harder copy of the guide?

me: typewith.me

me: Also, the PLF has a livestream up. Apparently I know advise them. <http://tinyurl.com/668dxtz>
